**DETAILED ACTION**

**EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Steven Yates on 5/29/07.

The application has been amended as follows:

Claims 30 and 31 now read – The method of claim 29 --.

***Allowable Subject Matter***

Claims 1-26 and 29-31 are allowed.

The following is an examiner's statement of reasons for allowance:

Per page 5 of the board decision, mailed 1/22/07, "the scope of the independent claims includes a step where goods are selected and placed in an electronic shopping cart, a mechanism to track selections for purchase." The prior art shows a method of creating distribution packages and assigning access restrictions, but not on a mechanism, which can track selections for purchase.

Haddad shows a foreign reference of interest.

"Norton, distributors partner to sell abrasives online" is a NPL of "Business & Industry" of interest.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
